### **Award of Contract**

### **24. Post-qualification**

24.1 In the absence of pre-qualification, KWS will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

It will be based upon an examination of the documentary evidence of the Tenderer's qualifications submitted by the tenderer, pursuant to paragraph 12, as well as such other information as KWS deems necessary and appropriate.

24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event KWS will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

### **25. Award Criteria**

- 25.1 KWS will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.
- 25.2 KWS reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for KWS's action. - 28.2 Failure of the successful tenderer to comply with the requirement of paragraph 28.1 or paragraph 29 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event KWS may make the award to the next lowest evaluated bidder or call for new tenders.

## **29 Signing of Contract**

- 29.1 At the same time as KWS notifies the successful tenderer that its tender has been accepted, it will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

- (b) will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.
