# RUMA NATIONAL PARK

*Dramatic Valley of the Roan Antelope, Rhino, Rothschild Giraffe and Oribi*

# INTRODUCTION

Being Kenya's last remaining sanctuary for the endangered roan antelope, Ruma National Park lies on the flat floor of the seasonally watered Lambwe River Valley bordered by the Kanyamwa Escarpment to the South-East, and by the volcanic plugs of the Ruri Hills to the north. It's located in Western Kenya, close to the shores of Lake Victoria.

Woven by a mosaic of landscapes that range from riverine woodland to the dramatically rolling savannah to magnificent escarpments and towering cliffs, Ruma National Park promises undiscovered wildlife treasures and undisturbed peace.

# KEY ATTRACTIONS & ACTIVITIES

Despite the fact that this park is less known, it holds lots of significant potential for discovery by the wanderlust. Scenic views, peace and tranquility, coupled with the great wilderness appeal, all converge here!

For the bird lovers, Ruma is a great destination to see the endangered blue swallow. This bird species depends on moist grasslands for both feeding and roosting and arrives in Kenya from their breeding grounds in Southern Tanzania around April and depart again in September.

Other wildlife species include Rothschild's giraffe, rare roan antelope, serval cats, honey badgers, Topi, Burchell's zebra, black rhino, Jackson's and Lelwel hartebeest, Bohor reedbuck, leopard, buffalo and the spotted hyena.

Ruma makes a great destination for outdoor lovers that love taking on the less beaten hiking trails of nature. Visitors can also enjoy picnicking and camping.

## WHAT TO TAKE WITH YOU

Whether camping or just visiting for a day trip, visitors are advised to carry with them the following; personal effects, clean drinking water, food, camping equipment if the visitor intends to stay overnight.

**Also important are;** Camera, binoculars, sunscreen, insect repellent, first aid kit, sunglasses, appropriate hiking / mountaineering gear and reserve car fuel if intending to be in the park longer.

## HOW TO GET THERE

**By Road: From Homa Bay Town;**

a) Travel 22Km on the main C19 tarmac road in the direction of Mbita. After 14Km branch off to the left at Kadio (Malela Junction) and proceed 8Km on the all-weather road D213 from Kadio (Malela Junction) to Kamato Main Gate.

b) Travel 42Km on the main C20 tarmac road in the direction of Rongo. After 10km, branch off to the right at Rodi Kopany and proceed 20km to Mirogi. Proceed for 12 Km from Mirogi on the all-weather road D213 and follow the signposts to the Park leading to Kamato Main gate.
